If you cannot find a course equivalency using either of these resources, compare course descriptions as a general guide: [calendar.ubc.ca/vancouver/courses.cfm](https://calendar.ubc.ca/vancouver/courses.cfm)

*These guides are intended for reference only and are subject to change. Transfer credit will be assessed when your application for admission is processed; you may be asked to provide a course outline/syllabus.*

### BCom options

In your third and fourth years, you'll get to shape your own career path by taking courses that focus on a particular discipline of business. Choose from these options:

- Accounting
- Business Technology Management
- Entrepreneurship
- Finance
- General Business Management
- Global Supply Chain & Logistics Management
- Marketing
- Operations & Logistics
- Organizational Behaviour & Human Resources
- Real Estate

# BCom application

Admissions decisions are based on a combination of the following:

## 1 Transcripts

UBC will have access to your academic history at the Okanagan campus, but you will need to submit complete and up-to-date final transcripts from all other post-secondary institutions you have attended.

## 2 The Personal Profile

This section includes questions about challenges you have overcome, significant achievements in your life, your academic pursuits, and what you have learned from these experiences. We are not looking for a particular experience, and there are no right or wrong answers. Highlight what is important to you, rather than what you think we want to hear.

## 3 The Video Interview

This section includes two prerecorded interview questions about your opinions and experiences. Your recorded responses will give you the opportunity to showcase how you can think critically, perform under pressure, and stand out from other applicants. Communication is key to your success in the BCom program. We want to see that you have understood the questions and that you can provide unscripted, insightful, and complete answers. **Be clear, confident, and authentic!**

## Average calculation

All applicants must meet a minimum average of **65% (2.50 on 4 pt. scale)** on both their **overall** and **core** average.

### Overall Average:

Calculated based on the most recent 30 transferable credits of coursework.

### Core Average:

#### Year 2 applicants:

Calculated based on all Economics, all transferable Commerce equivalent courses, and the required Math course.

All attempts at core courses are used in the calculation of the core average.

# Frequently asked questions

## When can I start the BCom program?

We have only one intake for new transfer students each year, which is in September. We do not offer Summer or January start dates.

## Can a UBCO student transfer to Year 3 at UBCV?

No. As a UBCO student, you will not be able to fulfill all of the admission requirements for Year 3 entry to UBCV BCom, therefore, you will need to fulfill Year 2 transfer requirements.

## Can I apply to Year 1 of the BCom program as a transfer student?

Year 1 direct entry is only for secondary school graduates who have not started post-secondary studies.

## When do I need to have all of my required courses completed?

All required courses for admission must be completed by April of the year for which you have applied. University-level courses completed during the summer will not be used to determine eligibility for admission of that same year.

## How many credits can I transfer into the BCom program?

A transfer student may be granted transfer credit for a maximum of 50% of UBC Sauder's degree requirements.
